This is another case of an officer of the higher grade being placed in-charge of the duties of another office of a lower grade. Please see the case of Sri D.H.Veeraiah, Deputy Comptroller who was placed in charge of the duties of the post of Secretary to the Board of Management of the Iron Works. (The post is admittedly lower than that of the grade of Deputy Comptroller.) What applies to the case of Sri Veeraiah should be made applicable to this case also.

The rule regarding in-charge arrangements contemplates cases of an officer being placed in-charge of the duties of another office, the pay of which is not more than that of the office who is placed in-charge of the duties of an additional office, i.e., an officer of the status of a Deputy Commissioner may be placed in-charge of the duties of an Asst. Commissioner and charge allowance admissible in such a case being allowed. The rule regarding payment of charge allowance to an officer doing the duties of another office the grade of which is lower is not contemplated anywhere in Indian Provinces - in Bombay I think, it is definitely discouraged. Now that we are about to consider the proposals to effect reduction in expenditure (in the light of the Economy Officer's Report), this opportunity may be taken to modify the rule regarding in charge arrangement which is most abused of all rules.

Comptroller with compliments for favour of remarks.

U.O.No.559/B2 dated 4-11-49.

Returned with compliments.

2. The pay of the post of Secretary to the Board of Management, Mysore Iron and Steel Works has not been fixed and consequently the charge allowance if any, payable to Sri D.H. Veeriah for having been placed in additional charge of the duties of the Secretary has to be specially sanctioned by Government.

3. Under the rules regarding in-charge arrangements, charge allowance is admissible to an officer for being in additional charge of another office the pay of which is not more than that of his own office (vide G.O.No.Fl.7777-7847/S & A 160-46-2 dated 5-5-47). I agree with the view of the Financial Secretary that the rule re: ~~the~~ in-charge arrangements requires to be modified for the reasons stated in his U.O.Note. In this connection I invite kind reference to the marginally noted letters addressed to Government detailing how the Govt.Order of 5-5-47 is liable to be abused resulting in considerable extra cost to Government without corresponding return in the shape of work and how the Heads of Offices are more often likely to sanction in-charge arrangements in the interests of officials than in the interests of work and efficiency. As a measure of economy, I would suggest the cancellation of the Govt. Order of 5-5-'47.

Comptroller.

I suggest that the G.O. of 5-5-47 should be cancelled. In the present case the allowance may be paid as suggested in para 8. Before cancelling the Order, the Comptroller may be asked to ascertain from the Accountant General, Madras, how extra work is compensated for when the officer is placed in charge of another appointment the pay of which is not more than that of his own and also when the pay of the new appointm is lower.
